Top tips for
Managing relationships between teams

Be respectful of other teams when you discuss them.

Do what is within your team's capability and reflects your responsibilities.

Don't make commitments on behalf of other teams.

Be clear with your communication with others to uphold safety and highlight relevant critical information.

If uncertainty exists between teams, take steps to clarify as a priority.

Be mindful of the pressures that other teams have on them.

Be thoughtful about the needs of others; the success of your team depends on the effective functioning of others.
